

President's Blurb

We are all settled in at a new location at 1019 Auburn Avenue and we are loving it! Our first large **reception will be held Saturday, September 10th from 5 to 8 PM**. We encourage all members, friends, family and the public to attend. There are three main shows that we will be recognizing that evening: The Members Show: "This is Me," an Invitational Jewelry and Pottery exhibition, and a Foyer exhibit of Carol Miller and Terry Palmer: Ceramics. This will be a great chance for everyone to see our new Gift Shop as well as our artists in residence studios. We are extremely honored to have had so many of our members participate in our first member's only show at the new location. We have set our bar high and it's just going to go up from there. Come see your new LAA.

Your President of your LAA,
Dusty Reed dusty@cajunpicasso.com

We've Had Some Great Workshops In Our New Space!

International instructor and jewelry artist **Anna Mazon's** two metal clay workshops ***Fantasy Eye and Climbing Roses*** in August were amazing to say the least! Her work is incredible as many of you got to see during the reception held in her honor on Saturday, Aug. 27th. For five days, the main gallery was busy with 8 artists painstakingly creating some very intricate works of jewelry art. I've got to admit, it was tough, but it was well worth the time and effort since we all learned so much!

Then, on Tuesday of the following week, we were lucky to have Paula McDowell instruct a Silver Metal Clay Earrings Mini Workshop for 12 participants! Whew! Some pretty creative women made several pairs of unique earrings! Let's hope to have Paula back again soon! She'll be moving again in the next couple of months, so, we wish her the best of luck and happy house hunting!!

Encouraging Words: Artful Procrastination

"There are three variants of procrastination, depending on what you do instead of working on something: you could work on (a) nothing, (b) something less important, or (c) something more important. That last type, I'd argue, is good procrastination...Good procrastination is avoiding errands to do real work". - Paul Graham
