## GATHER, LEARN & GROW

As we go to press, lots of last minute preparation for the 6x6 Annual FUNdraiser happening on 9/27. By the time you read this, we will be tying up loose ends and putting it all away for another year. 6x6 canvas donations and ticket sales have been lower than anticipated, but I am ever hopeful (and certain) that it will all work out in the end. But, I worry. This is really our only fundraiser scheduled for the entire next year - and it's crucial to our success in keeping the doors open. On the bright side, the LAA was awarded a DAF Grant for 2015-2016 in the amount of \$3351. This is great news, and kudos to Jan Castille, Bob Owens, MaryAnn Armbruster, Adrienne Brame and Ty Malloy for jumping in to put the DAF and Operations grants together. These grants are key to our continued success. Its almost time to draw the winners of the art raffle. Who will get to take home the David Kessler? The Chiang Quang? Everyone has their favorite! Tickets are \$10 or 3 for \$25. Drawing will be at the Eye of the Beholder Reception in mid-October 18. Our next meeting is Tuesday, October 6th. We need to take a look at our volunteer openings, and who needs to get busy! We have added storage cubicles and a cork board communication center in the office. I still need to make some signs, but plans are for these items to help us better communicate amongst volunteers and continue to make the LAA a place to Gather, Learn and Grow!!
