President's Blurb

There is no denying it! Every member of the Lafayette Art Association was either directly affected or knows an individual, a family, a home and/or a business that was impacted by our recent weather crisis.

First of all, I want to extend my sympathy to each and every one of our members, their families, and their friends who've suffered damage this past week from what meteorologists are calling a "monsoon depression." Secondly, on behalf of those affected, I want to thank all of the individuals and agencies that have provided much needed assistance. Lastly, I want to express my gratitude that our gallery did not suffer any flooding damage. The **Eye of the Beholder** deadline for submission was extended one day to accommodate members who were unable to make the due date. Even with that delay, the 100 entries were juried, judged and hung on time. It looks terrific! Thanks to Laurie Legnon and her crew. Please take a break from your recovery efforts and come by to see the show (awards reception was Sun., 8/28 - see last page for list of winners!).

Our annual FUNdraiser, **Buy a Ticket...Take Home a Painting!** is underway. The LAA is counting on you to pick up a few canvases (five is the limit) on which to create some exciting 6x6 art. You might even consider taking up the theme challenge: Old Buildings. Maybe you can create some 6x6 art and help sell some tickets? The tickets will be \$45 each and go on sale September 1st. As it has been said, **this event is our only fundraiser for the year.** Lastly, it bears repeating - our gallery sit calendar is in dire need of help! Too many days left unscheduled each month; please schedule a date to gallery sit. It's our gallery and it needs our support.

2-D Artist needed to exhibit in Green Apple Gallery West July-Aug 2017 Contact Andrea Schellman, 337-366-8359 or andreaschellman@gmail.com.

August LAA Mini Workshop got a little trashy... Below are creations from the *Debris Art* mini workshop held 8/20 with Trish Ransom at the LAA. All had the same instruction and materials...yet, so much individuality and inspiration emerged! Thanks to Kai for help with set-up and clean up.

August Photo Mini Workshop to be rescheduled... LAA Member, and internationally recognized photographer, Kerry Griechen's *Basic Digital Photography* July workshop was a hit with his students. Unfortunately, his second workshop, *iPhone & iPad Photography* on 8/13 was a washout due to the rains. He assures us that there will be a "rain check" class - as soon as we know the new date, we'll send out an email.

In this single session workshop, painters are introduced to (2) iPad apps and will gain a basic familiarity with the way they enable the artist to manipulate source photographs and to digitally paint directly on the iPad. Workshop Requirements: an iPad, familiarity with iPad use, and willingness to download free apps for the workshop
