President's Blurb

Hello All!

Dusty Reed, Kerry Greichen and I have been working non-stop on the LAA mural design, which has evolved over the last few months. I'm constantly impressed by their attention to detail and pursuit of making the mural the best it can be, so that Lafayette will have an interactive art work piece that tells the LAA story. Without Kerry's design expertise on measurements and his expert craftsmanship on the mural we would be in a bind. Dusty is also working on creating an original painting to be used for the line drawing on our T-Shirts, to debut the night of the fundraiser (we may also have prints, t-shirts and possibly key chains for sale the night of the fundraiser). In addition to Dusty and Kerry's constant help on our mural, other LAA artists showed up at the Gallery on Sept. 22 and 23 to lay hands on it and paint. **A special thanks to: Trudie Wolking, Margaret Melancon, Pam and Angela Barefield, Andrea Schellman, Catherine Wright and Jean Liehe.** Under Dusty's guidance all added their special touches to the mural. **Suzanne and Angel Juneau** also showed up and made our metal LAA logo and lettering (with **Andre Juneau's** help) for the mural. Without all of the support we've received so far in the way of time and material donations, we would not have accomplished all of this for the fundraiser. And, we still have so much left to do! Completing the design, layout, and assemblage, photographing and eventual printing of the work for T-shirts and the blank block frames for the LAA, along with meeting with the printer and installing this huge art piece has been and continues to be a HUGE project! I am thankful for all of you! **A special thanks is necessary for our own Sara Parker,** who sat with me for about 4 hours a few weeks ago and told me about the history of the LAA. She graciously handed over to me 30 years of LAA history in the newspaper clippings she had collected.

They will also be used in the LAA mural. I hope I have inspired all of you to come out and see the final result! Our LAA Fundraiser will be Friday, November 2nd from 6:30-9:30pm. Please tell and invite your clientele! I hope to see you there!!!

VOLUNTEER OPPORTUNITIES!

We're still in need of these event coordinators for 2019-2020:

- Kids Are Artists Too
- Media Liason
- Fundraising
- Workshops
- Grants

We'll team you up with the current chair so you can learn from the best! Please contact Paula McDowell at paulamcdowell@bellsouth.net.

Oops!

Arthur was injured while putting up new lighting in the new gallery. Said it was his assistant, Jan's, fault. Very creative bandage!

A Visitor from South Wales!

Gregory Sexton recently visited the gallery and bought two Peter Briant prints!

Missing Pliers!

If you've recently helped to hang an LAA exhibit, please check your toolbox. For some unknown reason, many of our pliers have skipped town! Probably just on vacation, but if you see a pair, tell them to come home!
